

"Smile For Free"

Action/Reaction:
Do It For Free

Bible Break:
1 Corinthians 9:17-19

Verse 1

Open your hands
Stretch to the sky
Bring back a cloud
Let's give it a try

Then run to a friend
Your arms open wide
Share all the wind
With no reason why

Chorus

Hide and I will seek
If you are feeling weak
You can climb a tree
To reach for what you need
So smile for free
Smile for free

Verse 2

With eyes open wide
Look all around
Take in the light
And love you have found

Pray with the rays
Hold on to them tight
Gather all the strays
Throughout the day and night

Chorus

Hide and I will seek
If you are feeling weak
You can climb a tree
To reach for what you need
So smile for free
Smile for free
Smile for free
Smile for free

Verse 3

Tip on your toes
To hear your favorite word
Ready, set and go
Go, tell all the world

Pass out a smile
From here to outer space
God's love will shine
So bright upon your face

Chorus

Hide and I will seek
If you are feeling weak
You can climb a tree
To reach for what you need
So smile for free
Smile for free

Chorus

Hide and I will seek
If you are feeling weak
You can climb a tree
To reach for what you need
So smile for free
Smile for free
Smile for free
Smile for free
