

"TURN AWAY"

Action/Reaction:
Sacrifice

Bible Break:
Mark 2:18-22

Verse 1

Big super serving
And mega-size
Munch it in your mouth
Until it's coming out your eyes

Be Medium
And moderate
We're takin' smaller bites
Just so we can appreciate

Chorus

When you see trouble comin' your way
Just turn away, just turn away
Don't you care what the other people say
Just turn away, just turn away
Just turn away, just turn away

Verse 2

Your monster TV
Exploding game
Don't you beat up on your brother
Or your sister just the same

Be Medium
And moderate
We're takin' smaller bites
Just so we can appreciate

Chorus

When you see trouble comin' your way
Just turn away, just turn away
Don't you care what the other people say
Just turn away, just turn away
Just turn away, just turn away

Just turn away, just turn away
Just turn away, just turn away

Verse 3

Sing-along this song
While in your car
You can move it to the groove
Without an idol superstar

Be Medium
And moderate
We're takin' smaller bites
Just so we can appreciate

Chorus

When you see trouble comin' your way
Just turn away, just turn away
Don't you care what the other people say
Just turn away, just turn away
Just turn away, just turn away

Just turn away, just turn away
Just turn away, just turn away

Just turn away, just turn away
Just turn away, just turn away

Just turn away, just turn away
Just turn away, just turn away
