

"UP"

Action/Reaction:
Say "Yes" to God

Bible Break:
2 Corinthians 1:18-22

Chorus

I Take it up – I Lift it up – I Give it up – I'm lookin' up

Verse 1

Red ruby falls so I can eat
I plant the seed, to grow a tree
Like Jesus came with words for me
If I believe, I will be free

Pre-Chorus

If "yes" is what I say when I believe
Then "Amen" is what I say to you from me
If I look up to God for everything I need
Then everything is guaranteed

Chorus

I Take it up – I Lift it up – I Give it up – I'm lookin' up

Verse 2

Yellow Rose fades into the ground
Without a sound it spreads around
Like Jesus taught, from town to town
And on His cross, freedom was found

Pre-Chorus

If "yes" is what I say when I believe
Then "Amen" is what I say to you from me
If I look up to God for everything I need
Then everything is guaranteed

Chorus

I Lift it up – I Give it up – I'm lookin' up
I Take it up – I Lift it up – I Give it up – I'm lookin' up

Verse 3

Big blue bird eggs lay in a nest
Mom does her best - gives God the rest
Just like Jesus smiles when we stretch
To call on Him for help, it is our test

Pre-Chorus

If "yes" is what I say when I believe
Then "Amen" is what I say to you from me
If I look up to God for everything I need
Then everything is guaranteed

Chorus

I Take it up – I Lift it up – I Give it up – I'm lookin' up
I Take it up – I Lift it up – I Give it up – I'm lookin' up
I Take it up – I Lift it up – I Give it up – I'm lookin' up
I Take it up – I Lift it up – I Give it up – I'm lookin' up
