## "Precious Light"

Words & Music By: Jeffrey A. Nowak

### Verse 1:

Weak and humble, failing, falling  
Wasting slowly to our shame  
Tensions, trials, pushing (and) pulling  
All to prove your love the same

### Refrain:

Precious light, shine out like the dawn  
Diamonds sparkle from the crown  
*Precious light, shine out through the night*  
Star of all glory shine down

### Verse 2:

Lowly rough, refined, rewarded  
Perfect pressure from all sides  
*Robed as righteous, clothed anointed*  
Chosen to bring Him to life

### (Refrain)

### Verse 3:

Let our rays make known His presence  
Facets of gifts from above  
*Lift our praise from highest mountain*  
Shouting signs of Jesus' love

### (Refrain)

### (Optional) Verse 4:

We are diamonds, like the bright star  
Leading to His Word and way  
*Others will find their salvation*  
Then be placed in His array
